Letter from Headquarters Southern Army, C/O No.11 Adv. B.H.Q., No.44016/3., dated the 8th November 1943.

ORGANISATION MILITARY ENGINEERING SERVICES.

I have the honour to inform you that GHQ have intimated that an agreed policy has been reached whereby every opportunity is to be taken to hand over works, normally executed by the above quoted Services, to the P.W.D. in order that personnel of the M.E.S. thus released, may be utilized for works in forward areas.

In accordance with this policy the Central P.W.D. have agreed to take over the maintenance of KOLAR, YELLAHANKA and BANGALORE factory Airfields and the work normally carried out at present by the Garrison Engineers at BANGALORE, JALAHALLI and G.E. outstations. GHQ have been informed that before this proposition can be adequately dealt with in so far as it relates to the Mysore State, it is essential that the Government of Mysore should be consulted, and their views ascertained. Will you please, therefore, inform the Mysore Government of the policy as indicated above, and obtain their views.

Yrs.
